Dear Jim,

On behalf of everyone at Haven of Hope for Kids, we would like to send our sincere thanks to you, Doug Miller, and the Knights of Fire III Motorcycle Club for sponsoring and organizing the Fall Foliage Run to benefit the children and families of Haven of Hope for Kids.

We are so grateful to everyone in the Knights of Fire for all your efforts on behalf of these courageous children and their families. It is so amazing that the members of Knights of Fire not only help people during working hours, but then take time to help others on their own personal time, as well! The generosity of your club is remarkable. We had a great time meeting all of you, and although it rained, we had a great day. We even received free press coverage by the Star Ledger which just added to the excitement and created a new opportunity to publicize Haven of Hope for Kids and its mission.

Our heartfelt gratitude to all!

Sincerely,

Pamela Faris and Eileen O'Dea
